Our Favourite Five Books - 2021-2020

To support a love of reading and create a language rich environment, we have 5 focus books per half term. The children have a daily storytime where the book of the week is shared every day. The children learn 5 stories a half term, a total of 30 books a year. Sometimes the books will be used as a stimulus for adult led activities, the children may use the book theme in their play!

Each set has a book:

1) By the author Julia Donaldson, 2) about looking after our planet, 3) with seasons/festival links, 4) to help with understanding other cultures, 5) a Miss Tams favourite book!
