

## **Climate Action Plan – Deadline 12<sup>th</sup> December 2025**

### **1. Complete a Carbon Audit at Escrick and Wheldrake Primary Schools**

#### **Actions:**

- Engage in the given platform to conduct a comprehensive carbon footprint assessment of both sites.
- Develop a prioritised list of reduction actions based on impact and feasibility.
- Communicate findings to staff, pupils, and stakeholders.

### **2. Curriculum Mapping to Include Climate Action Planning**

#### **Actions:**

- Identify opportunities to integrate climate literacy, sustainability, and action planning within school life.
- Curriculum review - link to the conclusions and recommendations of the independent review of the curriculum, assessment and qualifications system in England that was released in November 2025.

### **3. Devise a Leadership Group of Passionate Staff**

#### **Actions:**

- Recruit staff representatives (1 teacher and 1 support staff) from each school who are committed to sustainability and can influence others.
- Identify 1 governor from each school to lead with the staff and ensure stakeholders are committed to the action plan.
- Establish clear roles, responsibilities, and regular meeting schedules.

### **4. Climate Ambassadors: Student Leadership Program**

#### **Action:**

- Escrick Pupil Ambassador Groups are already established and will continue as Climate Ambassadors across school.
- Recruit pupil leaders from Wheldrake to act as Climate Ambassadors.
