Our staff

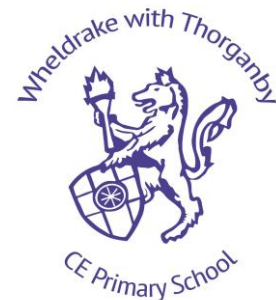

- The senior leadership team is crucial to the strategic and operational running of the school. They undertake many roles and meet frequently with members of the Trust, Governors and other external agencies.
- Miss Miller – Executive Headteacher
- Miss Tams – Deputy Headteacher and Class teacher
- Mrs Allen – SENCO (currently on leave)
- Mrs Gibson-Bone – School Business Manager
- Mrs Butterfield – School Administrator

Our Staff

- All of our teaching staff are experienced and have taught in different year groups across the primary range.
- Most of our teachers also lead subjects across the school – thus allowing them to monitor teaching and learning from Reception to Year 6 as well as reviewing curriculum plans, standards and analysing pupil voice about their subject.
- When staff have subject leadership time their usual class will be taught by another member of the staff team or a supply teacher.
